ORDER EXTENDING STAY

The parties submitted a Joint Status Report on September 26, 2022, indicating that the collateral state case, *Trubow v. NM Real Estate Commission*, is now pending before the New Mexico Supreme Court. (Doc. 69). In light of the ongoing state court proceedings, and for the reasons previously articulated, (Doc. 66), the Court finds good cause to extend the stay pending resolution of the state court proceedings.

The parties will submit a joint status report on progress of the state court proceedings on March 30, 2023, and every 180 days thereafter until the state court proceeding resolves.

IT IS SO ORDERED.
